

Deliverables	Owner	Actions
<b>1 Getting the right respite</b>		
a Public and Ministerial oversight	Charities, Carers Jersey, Government, PR, Social Media Channels	Petition to Government for a Public Guardian for carers as an independent voice for carers
	Carers Jersey	Develop a case for government to establish a Minister for Carers - potentially adding it to a director role already established
	Carers Jersey	Use all social media channels to draw attention to the need for a Public Guardian for Carers (using the Communications strategy referred to in 5B below)
b Personalised budget	Government	Government to review legislation and options to enable personalised budgeting for respite and short-term care - link with point 3C below
c Genuine Respite Options	Carers Jersey, Charities, Youth, Carers	Review what respite is currently available through charities on the island through a survey to establish Island needs.
	Carers Jersey, Charities, Youth network	Send a survey either online or by post to carers through charities to ascertain what respite would mean to a carer and how and when would they call upon using it

Deliverables	Owner	Actions
c Genuine respite options continued	Carers Jersey, Charities, Youth network	Through the association, establish three things - what is Respite, who as a carer can access it and what assessment would enable priority of use to be determined
	Carers Jersey and Charities	Through the communications work and social media channels across Jersey, advertise a consistent offer of social activities for carers and peer support - linked to 5B below
	Carers Jersey and Charities	Request support from local businesses and charities to develop the social activities for both carers and those that are cared for, to provide respite and receive funding to support it
	Carers Jersey and Charities	Establish funding to support it above
<hr/>		
2 Getting the Practical and Emotional Support		
<hr/>		
a Helping out the carer	Carers Jersey	Establish a network of free Delivery of medicines/shopping/nappies for carers when they are unable to leave the person they care for. See 2D below to assist with development of this scheme

Deliverables	Owner	Actions
a Helping out the carer continued	Government, local businesses and Carers Jersey	Carers discount cards -discuss with Government and/or local stores to assist in providing this for identified and known carers. Application process needed to provide evidence of being a carer.
	Carers Jersey and Government	Discuss with Government the option for carers to receive reduced GP consultation charges.
b Centrally located Carers Hub	Charities, Carers Jersey, Government, local businesses	Identify a "place"/building/hall that could be used for carers across Jersey to meet, receive information and talk with other carers
	Charities	Provide resources to run the "place"/building/hall - preferably volunteers rotated through the various charities in Jersey
c Emotional support for Carers	Government and Carers Jersey	Wider understanding of the emotional support needed to carers across all ages through PR, press articles and through appointment of a minister for Care - see point 1B above
d Parish Community Volunteers	Charities and Carers Jersey	Parish community volunteers to be identified and recruited to establish links with carers in their parish. To assist with driving and to provide companionship which in turn will help with carers who are isolated

Deliverables	Owner	Actions
